PROFILE

With **four years** of experience in the graphic design industry in Canada, I have sharpened my skills, specializing in **editorial design, packaging, brand identity, motion graphics, and web design**. Additionally, working in a design agency has honed my instincts for problem-solving, identifying client needs, and teamwork.

WORK EXPERIENCE

TOM POWELL DESIGN STUDIO, WINNIPEG, MB

2021 to Present – Full-time Remote

- **Print Products Implementation:** Developed and prepared print-ready files for a wide range of products, from **small items** like pins and buttons to **large-scale** formats such as **billboards, out-of-home displays, and window banners**. I also specialized in **complex print setups**, including newspapers, packaging with foils, food truck designs, posters, brochures, flyers, and postcards.
- **Digital Products Preparation:** Created and finalized digital graphics for **social media posts** (Facebook, Instagram, Twitter, LinkedIn) and **digital advertising banners**, ensuring brand identity consistency across various platforms. Additionally, produced **motion videos** and **animated banner ads** using **After Effects** or **Google Web Designer**.
- **Website Animation Creation:** Collaborating with development teams by designing **GIFs** and **animations** for websites using **After Effects, LottieFiles**.
- **Internal & External Collaboration:** Collaborated with outsourced agencies and freelancers to develop animation videos, ensuring sketches and **storyboards** were feasible and the final product met the client's requirements.

CREATIVE FREELANCER

2020 to Present – Remote

- **Email Marketing Assets Preparation:** Designed and developed **email marketing** newsletters for a private school, optimizing the customer journey through **Finalsite, HubSpot, and Mailchimp**.
- **Presentation & Document Design:** Created visually compelling **document presentations** for pitches and marketing agency presentations using **Google Slides, Google Docs, PowerPoint**, and other platforms as per client specifications.
- **Multifaceted Print & Digital Design:** Designed a variety of assets, including gift cards, outdoor signs, menus, posters, and social media graphics, ensuring consistency across print and digital mediums.
